## NS Smart Pak®

### INNOVATIVE PACKAGING

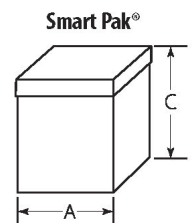

Our environmentally-friendly Smart Pak® contains no staples like traditional boxes, and breaks down flat for easy disposal and recycling. Our Smart Pak® design improves customer productivity, reduce downtimes associated with change-outs and provides a smooth and consistent wire pay-off.

- \* 100% recyclable
- \* Lifting strap
- \* Multiple pay-off options available: round, square and quick-disconnect
- \* Wire let-off system provides smooth feeding

Our patent-pending Smart Pak® corrugated box package is 100% recyclable.

Weight	Package Type	Footprint A	Height C
250 lb. (113 Kg.)	Corrugated Box, 1, 2, 4 per pallet	21" x 21" (533 mm x 533 mm)	16" (406 mm)
